CONTRACT
manufacturing

WHY CHOOSE CONTRACT MANUFACTURING?

Contract Manufacturing works with a wide range of clients in various food-industry sectors, providing them with a tailored solution to their food sourcing requirements. We aim to create value for our customers by providing them with a versatile and tailored solution, and have a large number of products on our portfolio.

We have strong experience in a wide range of manufacturing processes and our facilities enable us to produce a variety of tailor-made products that will suit your contract manufacturing needs.

These include:

- ✔ Mixers, blenders and tanks for the production of mayonnaise, dressings, pesto, dips and sauces
- ✔ Oven grills for the manufacturing of char-grilled vegetables and semidried tomatoes
- ✔ Forming machines for the production of a variety of different shaped vegetable burgers, falafels, veggie nuggets, potato gems, meat-replacement burgers and so on
- ✔ Fryers used in the production of falafels, vegie burgers, rice balls, lentil burgers
- ✔ Packing line for versatile use. Retail dips and pesto packaging (50 g – 450 g)
- ✔ Packing line for food services packaging (1kg – 20 litres), industrial packaging (pallecon 1000 liters).

We have established collaborative, long-term relationships with many customers. We are and belong to the following associations:

- ✔ HACCP Certified
- ✔ Kosher Certified
- ✔ Halal Certified
- ✔ Australian Made, Australian Grown
- ✔ Victorian Farmers Market Association
- ✔ Victorian School Canteen Association (VSCA)

CONTRACT manufacturing

ABOUT US

Contract Manufacturing is a total food manufacturing solution to clients in the Industrial, food services and retail industry. From R&D consulting, to manufacturing and packaging, Contract Manufacturing provides customers with an end-to-end, customised solution to meet their food manufacturing needs.

We specialise in the design and production of gourmet vegetarian products including

- ✔ Mayonnaise, Dressing, Sauces
- ✔ Dips, Pesto, Wet and Dry Mixes
- ✔ Vegie Burgers, Falafel, Finger Foods
- ✔ Grilled Vegetables, Semi Dried Tomato, Antipasto

Our high quality products can make a delicious and cost-effective solution to meet a diverse range of contracting needs – from wholesale, industrial food products to private label.

INNOVATION AND R&D SOLUTIONS

In today's increasingly competitive business arena, continuous innovation has become more important than ever.

Our independent food technicians are able to work along-side your company to help identify the direction of your brand and develop new product offerings. With over 30 years experience in food technology in large multi-national organisations, our consultants have the expertise and knowhow to:

- ✔ Match products
- ✔ Improve current product formulas
- ✔ Develop new product offerings
- ✔ Saving production cost without compromising on taste

FOOD SERVICES

Looking to source new and delicious products, perfect for any catering occasion? Contract Manufacturing has a fantastic assortment of gourmet mayonnaise, dressings, dips, pesto, gnocchi, antipasto and finger foods that will have your customers asking for seconds.

Made from the highest quality ingredients and with multiple packaging configurations to suit food services and industrial customers, it comes as little surprise that our products are stocked in leading delis, catering companies, sports events, cafes and hotels across Australia.

Contract Manufacturing can provide you with a cost-effective and flexible solution to all of your catering needs.

PRIVATE LABEL

Are you seeking to enter a new product category and do not have the current capacity or capabilities to do so? Contract Manufacturing is the solution. We can produce a wide range of customised product and package them under your own private label.

With a wide range of packaging configurations, combined with our superior manufacturing processes, you can feel assured that the private label products will maintain the high quality customers have grown to trust. Contract Manufacturing can provide you with the flexibility to grow your product range, without large out-of-pocket expenses.

INDUSTRIAL FOOD PRODUCTS

Looking for a customised solution to include in your products? Contract Manufacturing produces a wide variety of tasty sauces, dressings, and mayonnaises that can be incorporate into any meal. With a focus on clean fresh flavours, our products will make a delicious and complimentary addition to any dish.

You will currently find our products used as ingredients in industrial products such as sandwiches, salads kits, baked quiche, sauces and dips.
