TGA Certified
AUST L No: 217423

Raspberry **Ketones** 500mg x 60 Veggie Caps

(each capsule is equivalent to 20+ punnets of fresh Raspberries)

- Raspberry Ketones regulate a hormone
- called **Adiponectin**
[pronounced; add-ipo-neck tin]
- Research shows us that Adiponectin is at **lower levels** in people who are overweight or obese and in higher levels in those who are naturally thin.

Maybe you may know one?
