OWNED
EST. 2005

Leaf Safe Gutters®

Our innovative product eliminates the need to have your gutters and gutter guards cleaned, saving both money and time.

Benefits

- Eliminates leaves, debris, vermin from entering water catchment
- No need to climb ladders for cleaning
- Can be installed without removing existing roof
- Fully enclosed Colorbond® system
- Sloping lid avoids gathering of leaves and debris reducing high risk of fire to the roof space
- Proudly South Australian owned and manufactured
