the maternity and baby care product range developed by Australia's largest maternity service Mater Mothers' Hospitals

Mater Mothers' Hospitals is continuing the exceptional care it provides mothers, from the hospital into their homes, through a range of maternity and baby care products.

Mater maternity and baby care products have been **developed by Mater Midwives + Mums** specifically for newborn babies and mothers. The range, used throughout Mater Mothers' Hospitals, provides families with safe, ethical and affordable products from a brand they can trust.

- Specifically developed for newborn babies and mums
- Dermatologically tested to be suitable for sensitive skin
- High quality, low irritant ingredients safe for pregnant women and newborn babies
- Tested by Mums

Proceeds support Mater Little Miracles to help fund specialist life-saving care and research for babies Australia-wide.

Mater Mothers' Hospitals nappies

Mater Nappies are designed as an overnight nappy—quickly absorbing liquid and drawing away moisture to keep baby's delicate skin dry during the day and overnight.

Outperforming leading brands in the lab and in the home, Mater Nappies are made from ultra-soft breathable material, dermatologically tested and proven not to cause skin irritation—a perfect start for a precious baby.

Mater Nappies are available in five sizes to suit growing babies from the day they are born through to their toddler years.

Mater Nappies size guide

up to 3.5kg	newborn ^{first weeks}
3-5kg	newborn
4-8kg	infant
6-11kg	crawler
10-15kg	toddler

The Caring Continues

Mater Nappies – Newborn First Weeks

Made from high quality ultra-soft materials that quickly absorb liquid and draw away moisture, Mater Nappies – Newborn First Weeks help keep baby's delicate skin dry. Specially designed to fit babies in their first weeks, these nappies feature umbilical cord protection reducing the pressure on the baby's cord as it heals.

Now with wetness indicator

Umbilical cord cut out to protect baby's healing cord

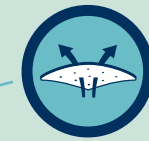

A smaller, high performing nappy at an affordable price for families

Dermatologically tested and proven not to cause skin irritation

Our Mater Midwives + Mums found most newborn babies weigh less than 3.5kg (approx. 8lb) and are too small for a traditional newborn nappy.

So we developed Mater Nappies – Newborn First Weeks to provide a smaller, high performing nappy for these babies, at an affordable price for families.

Ultra soft breathable material
allows baby's skin to breathe

Super absorbent
to quickly absorb liquid and draw away moisture to keep baby dry

Smooth waistband and resealable tabs
to ensure a snug fit as baby moves and grows

Umbilical cord protection
to protect baby's healing umbilical cord

Wetness indicator
with yellow line turning blue when nappy is wet and needs to be changed

Dermatologically tested
for baby's delicate skin

Mater Nappies – Newborn First Weeks
Size 0 – boys and girls up to 3.5kg
Pack size: 24 Nappies

Mater Nappies – Newborn and Infant

With less pulp and super absorbent core technology Mater Nappies – Newborn and Mater Nappies – Infant are thinner and more flexible providing growing babies with maximum comfort and protection all day and overnight.

Dermatologically tested and proven not to cause skin irritation

Absorbs liquid more quickly into the nappy core preventing leakage, especially overnight

Highly absorbent when nappy is wet multiple times leaving baby's skin drier

Prevent leakage with stronger tabs providing the best possible fit

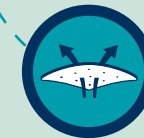

Now with wetness indicator

Umbilical cord protection
to protect your baby's healing umbilical cord

Wetness indicator
with yellow line turning blue when nappy is wet and needs to be changed

Ultra soft breathable material
allows baby's skin to breathe

Leak protection
with leg cuffs providing double protection against leaks

Fast super absorbent core
to quickly absorb liquid and draw away moisture to keep baby dry

Smooth waistband with stretchy resealable tabs
to ensure a snug fit as baby moves and grows

Contoured and flexible
providing an optimal fit and comfort for baby

Dermatologically tested
for baby's delicate skin

Mater Nappies – Newborn
Size 1 – boys and girls 3-5kg
Pack size: 28 Nappies

Mater Nappies – Infant
Size 2 – boys and girls 4-8kg
Pack size: 33 Nappies

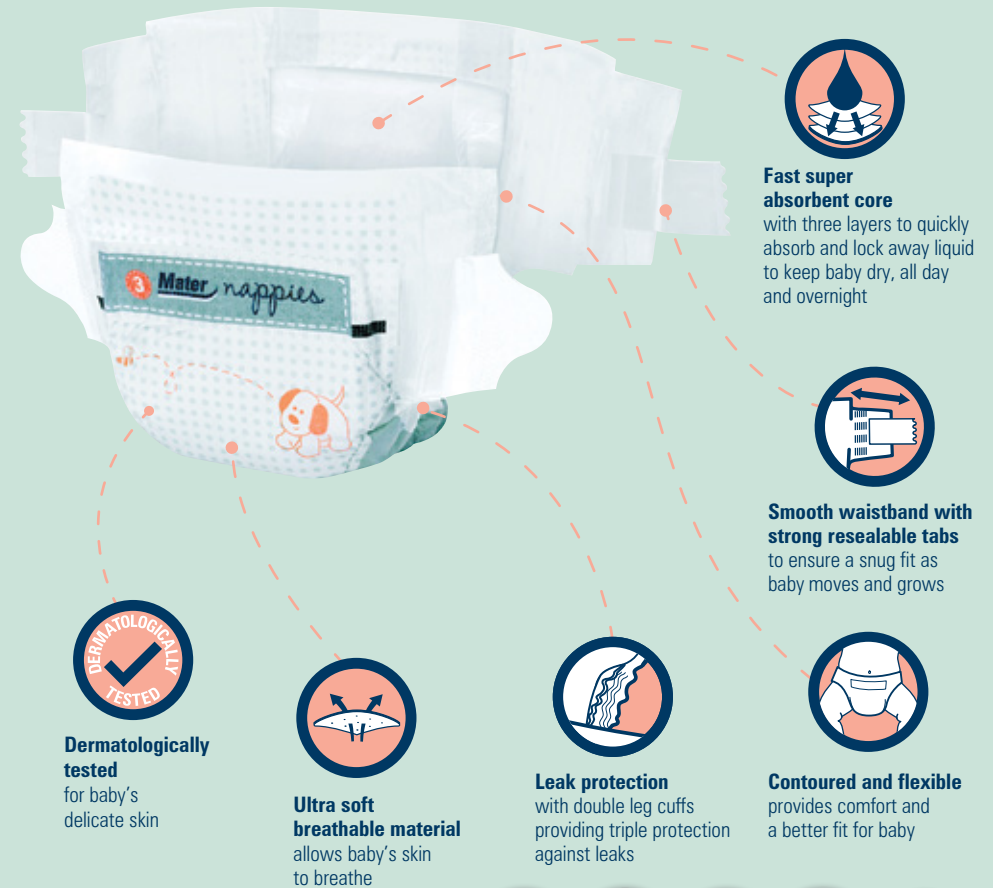

Mater Nappies – Crawler and Toddler

With super absorbent core technology and triple protection against leaks Mater Nappies – Crawler and Mater Nappies – Toddler are strong and flexible providing active babies with maximum comfort and protection all day and overnight.

Highly absorbent when nappy is wet multiple times leaving baby's skin drier

Overnight leak protection with leg cuffs designed to prevent leakage when baby is lying down

Dermatologically tested and proven not to cause skin irritation

Mater Nappies – Crawler
Size 3 – boys and girls 6-11kg
Pack size: 30 Nappies

Mater Nappies – Toddler
Size 4 – boys and girls 10-15kg
Pack size: 24 Nappies

Mater Mothers' Hospitals skin care

Mater's range of high quality, low irritant skin care products are designed to soothe and care for mother and baby every day. All products are Australian Made, dermatologically tested, pH balanced and suitable for sensitive skin.

The Caring Continues

Mater Body Balm for pregnancy

Mater Body Balm for pregnancy helps soften and replenish skin through the stress and stretching of pregnancy. This soothing balm is an ideal moisturising treatment specially formulated to promote softness and elasticity and help reduce the appearance of stretch marks.

Directions for use: Gently massage Mater Body Balm for pregnancy into skin as often as required, focusing on areas prone to dryness and stretching. For best results, use throughout pregnancy and postnatally until pre-pregnancy weight is attained. Mater Body Balm for pregnancy is also suitable as an all over intensive moisturising treatment.

Ingredient	INCI ¹ name	Purpose for ingredient

Directions for use: Gently massage into baby's skin following their bath and as required during the day. It is ideal for baby massage before sleep.

Mater Baby Moisturiser
500mL

Mater Nappy Balm

Mater Nappy Balm is a silky smooth, exceptionally gentle cream ideal for nourishing red and delicate bottoms. This unique, soothing formula forms a protective barrier to repel wetness while still maintaining breathability and moisturising the skin – making for a drier, smoother bottom and a comfortable, happy baby.

Mater Nappy Balm was formulated to closely replicate the vernix – the naturally occurring substance produced in the womb which coats and protects the baby. This unique-to-market innovation provides more comfort for baby and peace of mind for mum.

Ingredient	INCI ¹ name	Purpose for ingredient
Purified water	Aqua	Helps dissolve other ingredients
Zinc Oxide	Zinc Oxide	Anti-bacterial astringent skin protector
Castor Oil	Ricinus Communis Seed Oil	Skin conditioner and moisturiser that protects the skin
Hydrogenated Castor Oil	Hydrogenated Castor Oil	Skin conditioner and emollient

What mums are saying about Mater Mothers' Hospitals' maternity and baby care product range

"I used the newborn and toddler size nappies and they fit really well. They worked well overnight as I haven't yet found a nappy my daughter doesn't leak through and these did the job!"

Kristen, mother of two, Narara NSW

"The newborn first weeks nappy was a good fit for my little one who was 2.5kg. It was so smooth and snug on my baby's skin and very absorbent with no leakage."

Barb, mother of two, New Farm QLD

"The crawler and toddler nappies were really absorbent, never had a leak even overnight for both my daughters, and the stretchy tabs made the nappies nice and secure."

Yumi, mother of two, Concord West NSW

"The body balm was easy to apply and went a long way. It smelt nice. I didn't have to rub it in, it just nicely covered my tummy. My itchy tummy stopped itching."

Liz, mother of two, about to be three, Taigum QLD

"It kept my son's skin protected from nappy rash and was easy to apply. The cream had a pleasant, neutral smell and was a breeze to wipe excess off."

Rebecca, mother of one, Wynnum QLD

"The baby moisturiser absorbed well and it's not oily – skin felt nice afterwards and made a big difference to my baby's dry cheeks."

Allana, mother of one, Nudgee QLD

"Loved the smell. The baby wash soaped-up easily but washed off easily as well and didn't leave any residue on the skin."

Hayley, mother of three, Camp Hill QLD
