ORGANIC BABY SKINCARE

*Little Innoscents* provides concerned parents with 100% natural, Australian made and grown, baby skincare products, which are readily available, as affordable as possible AND have genuinely certified organic ingredients.

Little Innoscents products are 100% naturally derived ingredients, hypoallergenic and pH balanced, naturally scented using the finest essential oils, Australian Certified Organic – assuring authenticity, not tested on animals.

At Little Innoscents organic baby skincare we are keeping it simple by producing all-natural and certified organic products which are healthier for your body. Our skin absorbs whatever we apply to it therefore we should be concerned about the products we use for ourselves and our children.

## Certified Organic Skincare for Mother & Baby

### Hair & Body Wash

250ml & 30ml

*Spearmint & Sweet Orange*

Little Innoscents' top selling product is the all-in-one Body & Hair Wash, because it's ingredients are supreme and it's philosophy is green!

It's 100% natural, over 90% Australian Certified Organic, biodegradable, and the safest option to use on your baby.

Gentle enough to use daily, this multi-purpose wash is for both hair and body, is pH balanced and low allergen. Also safe to use on babies with eczema and other skin related issues!

### Intensive Soothing Cream

75ml & 30ml

*Calendula & Rosewood*

Not just for sore little baby bottoms, this intensive soothing cream has mild astringent and antiseptic properties that will get rid of a range of skin problems!

Naturally and effectively manages allergies including eczema, dermatitis, insect bites and other minor wounds and is a very effective nappy rash cream. This rich healing cream is 100% natural with nutritious Shea Butter as a base and healing Calendula extract and Rosewood essential oil as the therapeutic components.

### Moisture Rich Body Lotion

100ml & 30ml

*Ylang Ylang & Lavender*

Little Innoscents divine Organic Moisture Rich Lotion will provide the hydration, nourishment and protection that your babies skin is crying out for!

Combining luscious oils of Sunflower, Avocado and the moisturising benefits of Shea Butter, this luxurious lotion is suitable for all skin types, and is especially perfect for sensitive skin.

### SPF30 Sun Lotion

100ml & 30ml

*UVA & UVB Broad Spectrum*

Our lovely zinc based sunscreen with soothing Aloe Vera and Calendula is **nano-particle free**, making it a wonderful alternative to many synthetic products on the market.

Completely free from chemical absorbers, this lotion is a safe and natural alternative.

Suitable for sensitive skin and safe to use on children from 6 month of age.

# Certified Organic Skincare for Mother & Baby

## Winter Blues Vapour Balm

75ml & 30ml

*Eucalyptus & Wintergreen*

100% natural and safe-for-babies it's a healthy alternative to greasy petrolatum based remedies

Made with medicinal essential oils of Wintergreen and Eucalyptus in a fresh balmy base, it brings warmth to the body and helps your baby to breathe by alleviating nasal congestion... so you can get rid of that stuffy little nose!

As an added bonus it's low allergen and safe for bubs with sensitive skin.

## Hair Fudge

75ml

*Rosewood & Sweet Orange*

Get unruly and frizzy hair under control, with our Organic Hair Fudge.

Completely Alcohol, Paraben and SLS free, the natural ingredients will give hair a strong hold without those nasty white flakes and will wash away in the bath leaving no icky residue on the hair or scalp.

Avoid the "hair-raising" toxins that harm your body and the environment. Go for natural with aloe vera, beeswax and sunflower oil.

## Massage Oil

125ml

*Spearmint, Lavender, Lemongrass & Sweet Orange*

This intensely hydrating oil is made of nutrient rich Sunflower and Jojoba carrier oils.

It has a delicious sweet candy scent and is perfect for all skin types – even grown ups! Another treat is its natural ability to treat childhood skin conditions like psoriasis, dermatitis, and cradle cap.

Free from nasty petroleum oils. Deeply hydrating and ideal for sensitive skin.

## Mineral Powder

100g

*Lavender & Spearmint*

Step away from the talc! Powder the natural way with our Organic Baby Powder.

Made from Kaolin (Australian White Clay) this powder is a mineral derived from our very own beautiful outback and has some spectacular properties.

It works almost like magic to absorb excess moisture and toxins from the body and also protects babies delicate and sensitive skin from chaffing, odour, infection, and irritation.

## Milky Whites Toothpaste

50 ml

*Spearmint & Strawberry*

Fluoride-free with no artificial sweeteners.

Formulated with the purest ingredients, the Little Innoscents organic toothpaste is a natural fluoride-free gel with a cool and minty refreshing taste that the kids will love. Free of surfactants, artificial sweeteners and mineral oil. This calcium-rich Little Innoscents toothpaste will ensure healthy, happy teeth and gums.

## Goats Milk Cleansing Bar

100g

*Goat Milk, Manuka Honey & Ylang Ylang*

Designed especially for delicate and sensitive skin, this is a 100% natural cleansing bar. Goats milk is rich in proteins, vitamins, and minerals, allowing it to heal a wide range of skin conditions like eczema, psoriasis, and rashes like nappy rash.

It's perfect for your baby and therapeutic for those suffering from Dermatitis, Psoriasis, Eczema and dryness.

## Winter & Summer Travel Packs

4 x 30ml

These gorgeous organic baby travel packs features beautifully presented organic baby care products from the Little Innoscents range in a compact 30 ml size.

Made with essential oils that not only smell divine but also effectively treat a range of skin conditions this is perfect for a luxurious gift for the expectant mum or slipping into your nappy bag ideal for travel.
