We're conceived, born and raised in Australia

A small blob goes a very long way... great value due to their level of concentration

All our products are packed with pure and gentle certified organic ingredients

*Tests show that regular use of bottoms up will make your baby into a really intelligent future Supermodel!

* Disclaimer, slight exaggeration but we are working on a formulation for Dads!

The birth of bottoms^{up}

Bottomsup Natural Organic Baby Skincare, a true home-grown Australian brand. Our products have been specially formulated for babies delicate skin right at the very forefront of our mind.

We use only the finest natural and certified organic ingredients renowned for their gentle and nourishing ways that provides your baby with a safe and natural alternative at bath times.

Meet our products

Body Wash

Our non-irritating baby body wash is full of natural bubbly fun, containing certified organic ingredients such as cleansing peach and passionflower extracts, soothing aloe vera juice, calming lavender and mandarin essential oils, and the joi de vivre of pink flannel flower!

Moistsurpriser

Made naturally and without any compromise, our baby moistsurpriser contains nourishing organic shea butter and avocado oil to soften your baby's skin, certified organic lavender and chamomile to help create a calming atmosphere and handpicked pink flannel flower for an extra surprise of added happiness.

Shampishioner

Our baby Shampishioner (the all-in-one baby shampoo & conditioner!) is as natural as your baby's mop itself, containing a gentle cleansing action from certified organic aloe vera, infused with peach, passionflower and lilly pilly extracts. You'll also find sensual silk proteins to keep your baby's hair soft, shiny and beautiful.

Balmy bottom butter

Our natural, organic balmy bottom butter is packed to the brim with handpicked certified organic ingredients such as aloe vera, jojoba oil, shea butter and natural beeswax, all of which create a perfect natural barrier to moisture reducing irritation on your baby's delicate skin. Can also be used on cradle cap and other not so nice skin irritations.

Gift Packs

We've also got some great gift packs for those of you that like giving things!
