

NEW

Clearline Hangers

for the original Gallery System

Measuring only 1.2mm in diameter, the Clearline hangers offer low visibility while ensuring maximum strength.

The Gallery Systems Clearline hangers are easy to install, affordable and offer the flexibility to change your art repeatedly without having to repair your walls.

With over 30 years experience in manufacturing hanging systems in Australia, you can rest assured we now have the 'hang of it'.

Clearline Hangers ... our most unobtrusive hanger yet!
