

RBM INDUSTRIAL BAGS P/L

PRODUCT CATALOGUE

APRIL 2020// PREPARED BY ANITTA STALLWOOD

ALL AUSTRALIAN MADE

OUR MISSION AT RBM
"AT RBM INDUSTRIAL BAGS WE STRIVE TO DESIGN, MANUFACTURE AND SUPPLY HIGH QUALITY MADE PRODUCTS AT COMPETITIVE PRICES IN A TECHNOLOGICALLY EFFICIENT & INNOVATIVE MANNER."

Quality manufacturing is our trade mark and RBM has built a solid business model servicing the mining, oil and gas exploration industries, power generation and delivery sectors and heavy construction industries across Australia and throughout the world.

RBM Industrial Bags is a medium sized family owned business driven by customers need and satisfaction. So, whether you and four of your workmates want to buy one bag each or you're a procurement officer looking for 60 items at a time, your decision to build a relationship with RBM is the right one, every time.

Whilst our signature tool bags are why we started RBM and bulk orders on all our bags are always welcome, there's so much more that keeps us busy. Our company also specialise in large scale engine, equipment and trolley covers, safety mats and shut down gear, as well as tarpaulins, blinds and shade sails. All these items can be custom built to your company's needs and quotes are available on request.

For clients wishing to buy in bulk, with a maximum of 2 colour choices per item, speak to us about our bulk rate applicable to orders of 50 + IN A SINGLE ORDER.

Small Meter Bag

This gorgeous little carry bag has a reinforced base, lock out tag, two side pockets, a small tool rail on the back wall and a padded shoulder strap. Great for carrying meters, instruments and fragile equipment, it's handy and tough. RBM uses PVC which is fire retardant, acrylic lacquered, has excellent welding properties, and is also highly resistant to soiling and mildew.

Size of Bag: 210mm H x 200mm L x 100mm W

Side Pocket 160mm H x 80mm L x 60 W

Product/Item Code: BGR 05 MB

Price: \$89.20 (Inc. GST) + Freight

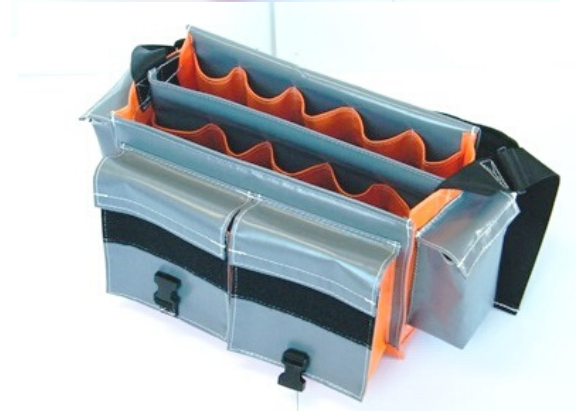

Medium Electrical Tool Bag

Compact in size but big on features, “The Baby Rhino” is wider than our average tool bag and showcases 2 large “Rhino” front pockets, side pockets, a padded shoulder strap, a centre divider with a looped tool rail and a second looped tool rail on the back wall—each with 5 individual tool slots. Add to that, a document wallet and a reinforced base, and you’re set.

Size of bag: 270mm H x 390mm L x 190mm W

Product/Item Code: BCM 0915 ETB

Price: \$250.30ea + Freight

From One of RBM's Largest Tool Bags...

It's called a Rhino for a reason. This monster bag has a massive inner with centre divider and 2 looped in tool rails, each with 7 slots, 2 front pockets and large side pockets, a reinforced base and large padded shoulder strap.

Size of Bag: 240mm H x 530mm L x 210mm W
 Front & Side Pocket: 200mm H x 180mm L x 100mm W
 Product/Item Code: Rhino TB
 Price: \$259.00 + Freight

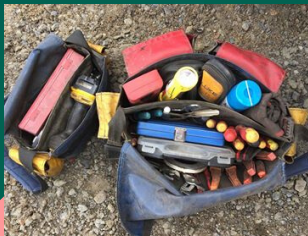

To One of RBM Smallest Electrical Tool Bags

One of our most popular bags across the entire RBM range, the GR 3 Electrical Tool Bag features a centre divider, 2 tool rails, one large front pocket in front, handy side pockets & padded shoulder strap.

Size of Bag: 270mm H x 315mm L x 135mm W
 Front Pocket: 165mm H x 235mm L x 85mm W
 Product/Item Code: GR 3 ETB
 Price: \$209.40 + Freight

The average number of years an RBM bag will last when used daily is seven. That's right, not seven months, *seven years!*
