PROVEN RELIABILITY
CELEBRATING 50 YEARS

WATERMAID®

EcoBlend® CHLORINATOR

**3 YEARS
FULL WARRANTY**

- ✓ Salt & Mineral-Blend Compatible
- ✓ Reverse-Polarity Self-Cleaning
- ✓ Optional Ultra Low Salt Model
- ✓ Pump Run-Dry Protection
- ✓ Superchlorinate Boost Feature
- ✓ Safety Backwash Function
- ✓ Large Back-Lit Liquid Crystal Display
- ✓ User-Friendly
- ✓ Battery-Backed Clock & Timer
- ✓ Adjustable Chlorine Output
- ✓ LED Chlorine Output Display
- ✓ Large Surface Area Cell Electrodes for Maximum Production
- ✓ Proven & Reliable Linear Power Supply
- ✓ High Grade Materials
- ✓ Friendly Customer Service and Local Support

The EcoBlend® chlorinator is an all-in-one salt and mineral-blend compatible chlorinator. Ahead of its time and feature packed, the EcoBlend® chlorinator is built for performance and reliability by one of Australia's most reputable manufacturers, Watermaid Pty Ltd.

| EcoBlend® (Model) | Salinity (Salt/Minerals) | Output | Capacity* (Mild/Temperate) | Capacity* (Tropical) |
|---------------------------|-----------------------------|--------|-------------------------------|-------------------------|
| RP-7 | 3,000-4,000 ppm | 25g/hr | 80,000 L | 50,000 L |
| RP-9 | 3,000-4,000 ppm | 30g/hr | 100,000 L | 75,000 L |
| RP-11 | 3,000-4,000 ppm | 42g/hr | 150,000 L | 100,000 L |
| RP-13 (Ultra Low Salt) | 1,000-2,000 ppm | 30g/hr | 80,000 L | 50,000 L |

*Due to pool chemistry variations, the above shown capacities are a guide only.
