Millard is a member of the Recreational Vehicle Manufacturing Accreditation Program (RVMAP) and all their caravans come with a 12 month Australia - Wide Warranty

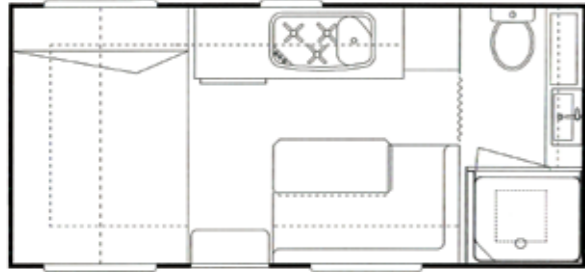

The only choice for the great Aussie outdoors

Millard Caravans manufacture semi off-road and full off-road model caravans that are built to endure our harsh Australian conditions. With a hot dipped galvanised chassis, aluminium frame and Cruise Master Independent suspension system, the strength and durability of our vans are made to last.

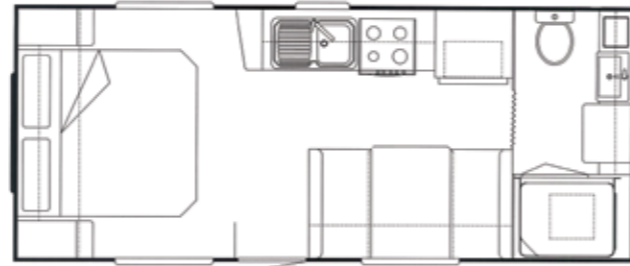

The Breakaway is available in full van, bunk and pop-top models, all built in house from the chassis up. The vans are equipped with the latest appliances, safety features and luxury items to make your holiday the most comfortable and enjoyable experience. With over 70 years of experience, Millard Caravans ensure that your van is built to suit your individual needs.
