

Good Flight Sleep Travel Pillow

Our unique design supports the chin and sides of the neck helping to align the upper spine. This helps to avoid lolling heads and stiff necks which are a common problem while sleeping sitting upright.

- ✈️ Tried and tested, patented design
- ✈️ Distinctive removable inserts provide ventilation to prevent overheating
- ✈️ Many beautiful eye-catching colours and patterns
- ✈️ Machine washable
- ✈️ Available in two sizes
- ✈️ Designed and made in Australia
