

SPECIFICATIONS

A comprehensive guide to developing advertising material for the official Australian Made, Australian Grown network.

Please deliver images to your account manager via email as an attachment. If your files are too large to attach, please send artwork files using a common file transfer service (such as Dropbox, Hightail or WeTransfer).

All image file names should include the year and month your ad will go live, your business name and the size of your ad. Eg: 1805_Business Name_300x250px. Please deliver text and URLs in the body of your email.
